

# Steps to implement import solutions to E-commerce marketplaces

Such as: Amazon, Mercado libre, Linio

#TOGETHEREVERYMILE

1

## INITIAL ASSESSMENT OF THE GOODS TO DETERMINE:

- The import duties
- The NOMs and other non-tariff barriers

## IMPORT OPTIONS:

### a. Trading company:

Import and sell goods in Mexico using a **MexBuy** as a trading company.

### b. Incorporating a Mexican entity:

Import goods to Mexico through a Mexican Legal Entity partially or totally owned by the Foreign Seller.

2

## DETERMINE MEXICAN IMPORTER OF RECORD AND/OR MEXICAN ENTITY

Mexican Tax and Customs Liability are key to consider when determining how goods should be imported into Mexico.
